

Measuring Success

Reflect on your current assessment practices

What ways do you currently assess your programs?	Votes
Participation Numbers	3
Participant Response- did they ask when we're going to do this program or a similar program again? vs. leaving early, not really interested	0

What do you do with the information you gather?	Votes
See if there are any connecting factors between programs with high numbers and plan programs around those ideas	0
What other groups can we partner with based on teen interests	0
